

## **Glyn Dwfn's Moot Points**

The Shire Moot was held on 10/28/20. There were 14 folk in attendance.

**New Members** – none

### **Officer Reports:**

**Seneschal (Richard)** – Nothing to report. Please find contingency deputies, everyone. Make sure you're all checking your emails regularly. In particular look out for the officer renewal forms and making sure you're filling those out!

**Exchequer (Scianna)** – \$9,411.21 in the bank account at the end of September. This does not count a donation received from Dwfn Bros for \$234.95, which will show up next month.

**Marshal (Tanloth)**– Nothing to report.

**Archery (Jay)** – Nothing to report

**Heavy Weapons (David)** – Not present, no report.

**A&S Minister (Samwell)** – Erin Scott has volunteered to become my deputy and we had a brief discussion about setting up some zoom lectures and Q&As about period agriculture. Hopefully we can get them up and running to help engage the populace.

**Herald (Sean)** – Nothing to report.

**Web Minister (Laura Irwin)** – Not present; no report.

**Chatelaine (Jacques)** – Nothing to report.

**Chronicler (Marion)** – Harp Song went out this month!

**Social Media Deputy (Piaras)** - I have sent in my 1 year extension request to the Seneschal. This last week the Board of the Directors for the first time ever live-streamed their meeting (it required prior registration open to anyone). I attended; it was interesting and I hope they continue to do this to ensure transparency. Having some troubles with the updated Facebook Groups abilities when acting as a page (for example, it won't let me post files like the moot agenda anymore so I'll have to post it as a screenshot/image if it is to be as the page vs my personal account).

## **Business:**

### **Baronial Updates:**

Richard: I am keeping up with a couple of email chains and it sounds like the crown is still figuring out how and when they want to poll.

### **Baronial Regalia Updates:**

Ginny: I think it would be nice to put together a Baronial Wish List of smaller items we might want for the barony that people may want/be able to donate.

Dawn: I do have a list like that in progress.

Sean: We have one bid on the thrones and one for the coronets. Our original deadline was this Sunday. I think we should consider extending the deadline.

Sean moves to extend the deadline for regalia submissions until November 15th, Richard seconds, 13 in favor. Motion passes.

Questions about coronets (verbatim from potential maker):

-Are you looking for pearls that come out of molluscs or “pearls” that are spherical stones?

Colors are fine

-Are there any relics from the early days of Glyn Dwfn that you'd like to be incorporated into the coronets?

No

-While the branches' new arms are much better than the original would you like the harp incorporated in the coronet?

Perhaps, if it's done well. Leaning towards no.

-Are enamels something you'd be interested in having in the design? Enamels are not as durable but are much less expensive than gemstones.

Yes, both as cost allows.

-Is there a particular time period or culture you have in mind?

No.

The throne bid is based on 15th century hall chairs.

### **Summer Investiture 2021 Updates:**

Scianna: I sent Kassandra an update for what we've been doing. I haven't heard anything back yet. We're using this time to brainstorm how one has an event during plague times. The other thing we've done is assign tasks. We're working on it as if it's going to be an actual in person event. I'm assuming that everyone has seen that the governor has extended the state of emergency through January. Everything I'm seeing online seems to indicate that we may go through the summer without having an actual in person event. We still need to proceed as though we are. Everything is refundable.

How do we have an event where attendance has to be restricted with contact tracing and social distancing? How do we have a court with social distances?  
No further action until we hear back from Summits.
